67 girl gone _____ wild _____

The room is spinning
 It must be the tanqueray
 I'm about to go astray
 My inhibition's gone away
 I feel like sinning
 You got me in the zone
 DJ play my favorite song
 Turn me on

I got that burnin' hot desi-i-i-re
 And no one can put out my fi-i-i-re
 It's coming right down through the wi-i-i-re
 Here it comes
 When I hear them 808 drums
 It's got me singing

Hey, ey, ey, ey
 Like a girl gone wild
 A good girl gone wild
 I'm like, hey, ey, ey, ey
 Like a girl gone wild
 A good girl gone wild

Girls they just wanna have some fun
 Get fired up like smokin' gun
 On the floor til the daylight comes
 Girls they just wanna have some fun
